4IR Webinar Series

Cryptocurrencies – A Legal Tangle for the Insolvency Industry

Presented by the INSOL Academic Group

SYNOPSIS

This webinar will provide attendees with an understanding of the impact of cryptocurrencies and initial coin offerings (ICOs) on the insolvency and restructuring industry. The webinar will discuss the treatment of a variety of issues relating to cryptocurrencies in insolvency proceedings from a comparative approach, such as the valuation of tokens and cryptocurrencies in insolvency proceedings, whether such assets may be held in trust; how tokenholders are treated in insolvency, and more. The webinar will explore the role of regulators, legislators and the courts, and explore the challenges and opportunities of cryptocurrencies and ICOs for the insolvency industry.
